

# AOII Installs 179th Chapter

## Sigma Beta Chapter Saint Joseph's University April 23, 2005

Alpha Omicron Pi proudly welcomed 37 new sisters in an initiation and installation ceremony that took place April 23, 2005. The colony at Saint Joseph's University, Philadelphia, PA, was colonized on February 5, 2005 and chose Sigma Beta for its chapter name. Sigma Beta's submotto -- "simplicity and beauty" -- was selected in reference to the AOII badge.

The Hilton Philadelphia City Avenue Hotel was the site for the initiation and installation ceremonies. This initiation ceremony was held in the Borghese Garden

Room of the Hilton. Sally Wagaman, AOII International President, served as the installing officer. Other AOII alumnae in attendance for the installation ceremony and Rose Banquet included Toni Morgan, Vice President of Development; Kim Carroll, Executive Board Director of Programming; Carol Stevenson, AOII Foundation President; Lisa Dutt, Colony Development Network Director; Suzanne Martin, Kim Lake, Laura Lilley, Teresa Lynch and Bethany Kerr, Alumnae Advisory Committee; Jaynellen Jenkins, Collegiate Network Specialist; and Erin Burcham and Julie Anne Walter, AOII Membership Recruitment Consultants. Lambda Upsilon Chapter, Tau Lambda Chapter, Sandy Altemus, Sigma Tau Corporation Board President and Cathy Wieand, Philadelphia Alumnae Chapter member, also assisted with the initiation and installation ceremonies.

A Rose Banquet honoring our newest sisters and chapter took place at the hotel at the Grand Garden Ballroom later that evening. Approximately 100 guests, including friends and family members of the new initiates, attended the banquet and were introduced to Sigma Beta's charter members. Toni Morgan served as mistress of ceremonies for the evening's event.

This spring, Sigma Beta participated in the school's first ever Greek Week and also Philadelphia's Hunger Walk. Sigma Beta is the fourth NPC organization on campus at Saint Joseph's University with members involved in almost every campus organization. Alpha Gamma Delta, Alpha Phi and Sigma Sigma Sigma are also a part of the university's Greek system. Sigma Beta becomes the sixth chapter in Pennsylvania and Alpha Omicron Pi's 179th chapter.
